

WELCOME HOME.
I'm coming back to my Roots – my hometown, my alma mater university and to my original restaurant I opened as a 22-year-old in 1996. And I'm welcoming you into my 2nd home, a 2nd time. The Roots of the thinly pressed, smashed burger is said to come from Indiana. Therefore, we felt combining the double meaning of Roots for this Burger Bar worked perfectly for what we wanted to bring home. Never forget your Roots. I haven't and never will.
